Weatherization Process

Once the application has been accepted, a qualified representative from the program will come to your home and do an on-site assessment.

The assessment will include an inspection of all the gas burning appliances in the home and an evaluation of any energy savings measures which can be performed within the program guidelines.

Any of the gas burning appliances which fail the combustion appliance safety inspection may be eligible to be repaired or replaced and any energy saving measures which can be performed will be installed.

Are you eligible?

The program is available to residents of Contra Costa County. Homeowners and renters of single family homes, apartments, or mobile homes that meet the incomes limits below are eligible.

2014 WEATHERIZATION ASSISTANCE PROGRAM INCOME GUIDELINES
