PLAN FEATURES:

- Of the 19 cities in the county, 18 remain whole
- Of the 53 Census Designated Places in the county, 52 remain whole
- Only Concord, the county's largest city, is split
- It keeps most common sub-regions together: Lafayette, Moraga & Orinda; San Ramon Valley, Central County, Far East County.
- Complies with the principles of both our task force, including U.S. Supreme Court decisions of compactness and contiguity, as well as the Board of Supervisors work plan, adopted February 8, 20011.
- All districts within 3.8% deviation of population from district to district, less than the 5% deviation goal of the Board of Supervisors
- Complies with the 1965 Voting Rights Act, Sections 2 and 5 with regards to not dividing groups based on race, ethnicity or language.
