County Service Area R-10 (Rodeo) has $456,305 allocated by the East Bay Regional Park District to use in Rodeo. Funds can be used to improve or upgrade existing parks or to acquire new property for park purposes. Currently two county park facilities are present in Rodeo: Lefty Gomez Community and Ballfield Complex and Rodeo Creek Trail.

The goal of the community discussion is to recommend project(s) in Rodeo for these Measure WW funds. County staff would assure that the projects submitted for approval are consistent with the guidelines from the East Bay Regional Park District. Public Works Staff has drafted a list of possible projects for consideration below.

Project Name	Description	Preliminary Cost Estimate
Rodeo Creek Trail Fence Repair	Repair the creek bank and fencing along Rodeo Creek from Hwy 80 to Mariners Pt.	To be determined
Rodeo Creek Trail Landscape Improvement	Install landscaping at the County-owned property (APN#358140004) located along Willow Avenue and southeast of the footbridge which leads to the Rodeo Creek Trail.	$300,000
Lefty Gomez Community Center Grounds	Repave pedestrian & maintenance vehicle access at the Lefty Gomez Ballfield concession area. Add shade structures and ADA upgrades.	$450,000
Lefty Gomez Community Center	Kitchen updates including replacement cabinets, sink and countertops	$100,000
Lefty Gomez Community Center Park	Install BBQ equipment & picnic tables next to playground area; improve landscaping at park frontage and playground area; install drinking fountain and additional trash cans. Add ADA upgrades.	$300,000
