FOR IMMEDIATE RELEASE

Contra Costa County Public Works Department will perform road work starting June 10, 2013 through the week of June 24, 2013 between the hours of 6:30 a.m. and 6:00 p.m., Monday – Friday. The Public Works Department maintenance crews will be grinding out and repaving failed sections of pavement on the roads identified below.

Based on the current schedule, the following roads will be impacted by this work:

Week of June 10
- Pacheco Area – N. Buchanan Circle
- Clayton Area – Marsh Creek Road between Clayton city limits and Morgan Territory Road
- Clayton Area – Marsh Creek Road between Round Valley Parking area and Marsh Creek Reservoir
- Brentwood Area – Brentwood Boulevard between Sellers Avenue and Byron Highway

Week of June 17
- Brentwood Area – Brentwood Boulevard between Sellers Avenue and Byron Highway
- Bay Point Area – Pacifica Avenue between Port Chicago Highway and Wharf Drive
- Pleasant Hill Area – Pleasant Hill Road between Reliez Valley Road and Rancho View Drive (north bound lane only)
- Alamo Area – Danville Boulevard between Livorna Road and Hillgrade Avenue (north bound lane only)

Week of June 24
- Pleasant Hill Area – Oak Road between Buskirk Road and Treat Boulevard (south bound lanes only)
- Orinda Area – Bear Creek Road between Orinda city limits and Happy Valley Road
- Rodeo Area - Roads in the Viewpointe Subdivision

The scheduled work is subject to change. Electronic message boards will advise motorists of planned work in advance. Motorists can expect delays and should use alternate routes. Schedule updates will be posted on the Public Works website at: www.cccpublicworks.org under the News Flash heading.
