UDPATES FROM DISTRICT III

See below for the latest updates from District III!

==========

IT'S NOT TOO LATE!

Join the many generous residents and businesses of District III as we share in generosity with our neighbors in need! Thank you to all those who have come by the office to drop off donations, who have mailed in donations, and who have donated online on behalf of District III. I am proud to represent such a generous community!

The Food Bank of Contra Costa & Solano has made it even easier for us to help those in need. Please find the attached form and fill it out so that you can make an automatic annual, quarterly or monthly donations that will be credited to the District III effort! Send the form to my Brentwood office, and we will do the rest!

To donate online, visit the Food Bank Donation Page. After you enter the amount you are donating, and the frequency of donation, there is a box titled *Food Drive or Special* Event. In this box, type ***County Holiday Food Fight, BOS-District III***. At the bottom of the form there is a drop down menu titled *I want my donation to be designated toward*. REMEMBER to select: ***Friend of Contra Costa County***.

As always, you can mail a check, made out to Food Bank of

Contra Costa and Solano, to my office (address listed to the left) that is postmarked before December 31, 2013 to count towards the District III race!

BAY AREA AIR QUALITY MANAGEMENT DISTRICT GRANT FUNDING

The Bay Area Air Quality Management District is accepting proposals for their DC Fast Charger Program until June 30, 2014, or until funds are exhausted. Some brief information is available below. More information can be found online.

- $1 million is available to support the expansion of publicly available network of DC quick chargers.
- Incentive awards of up to $20,000 per DC quick charger installed; this includes a base award amount of $10,000 per qualifying charger installed and a bonus award of up to $10,000 based on usage during the first three years of operation.
- In addition to Air District funding, awardees who meet all eligibility requirements by January 27, 2014, may also be eligible to receive one or more free DC quick chargers provided by Nissan North America, Inc. (Nissan).

If you would like to change your subscription settings, please reply to this email. Thank you.
