4. Agency Reports

   a. Sheriff's Department

   Officer Andaya gave the following report:
   - In July there will be a safety drill at the Buchanan Airport
   - A firearms check was done on firearms or felony probation. The majority did receive arrest warrants because they are in violation of their felony probation for not reporting they have moved out of Pacheco. Two were arrested on outstanding felony warrants
   - The Sherriff's office received no trespass letters from the large storage site to help prevent transients from tents in the area.
   - The Concord Cascade mobile home community asked the Sherriff to set up a community watch program, however, we do not have that service. I recommended they coordinate with the MAC to set up a community watch program.
   - Shopping carts left in the area have become a problem. The Sherriff has asked local business, such as Target, to remove their carts from the area; however, they are not willing to pick up the carts. The MAC could explain to these businesses that the carts contribute to neighborhood blight, they are in the creek, and safety issues as they are left in the street. I recommend the MAC check for cart pick up resources to address this problem; perhaps a major chain has a service handling that already and could collect carts left in Pacheco.

Officer Andaya provided the MAC with a report of crimes from May 2013.

b. California Highway Patrol

There was no report.
