## New Richmond Veterans Center with One-Stop Services

West County veterans have a new Richmond center designed and developed with state-of-the-art ideas. Please join me at the **March 31** grand opening of the new American Legion Post 875 in Marina Bay, a full-service veteran's center featuring:

- Career development
- Job placement
- Life skills training
- Counseling
- Troop support
- Financial planning/assistance
- Scholarships

The Post is located in a spacious waterfront building with event and banquet facilities, media and lecture rooms, health and wellness spaces, and a bingo hall.

I'm pleased to support the new American Legion Post as one way of giving back to the brave men and women who have served our country in the military. Post 875 services will help new veterans successfully reenter our community as civilians, and help older veterans get the assistance they need to thrive. Spread the word to veterans you know, and join me at the Grand Opening if you can:

**What:** Grand Opening of American Legion Post 875, One-Stop Veterans Service Center

**When:** 3:30 pm to 7 pm. Wednesday March 31 -- *Ribbon Cutting Program starts at 5 pm*

**Where:** 1401 Marina Way South (near the Bay), Richmond
