

# Emergency Preparedness Fair at Hilltop Mall THIS SATURDAY

Please join us at the West Contra Costa Disaster Preparedness Fair at the Hilltop Mall this Saturday.

We've learned from the 1989 Loma Prieta earthquake and the recent devastating San Bruno fire, that we cannot afford to take emergency preparedness lightly. The goal of this fair is to help West County residents receive information and education about how to respond and be prepared in the event of an emergency and to make sure our families are protected. Now in its third year, the West Contra Costa Emergency Preparedness Fair has grown to a regional event, reflecting the public's desire to be prepared.

Come to the Fair to receive information on preparedness and tips on recovery for earthquakes, fires, and other emergencies. Other resources include seismic gas valve devices; flu and whooping cough vaccinations; CPR classes; micro-chipping, vaccinations, and licensing for your pets; and FREE disposal for unused and expired medications. For the kids, there will be a dunking tank, face painting, jumpers, and fingerprinting.

Raffle prizes will be drawn at 11 a.m. and 1 p.m.

**What:** Ready, Set, PREPARE! West Contra Costa Emergency Preparedness Fair  
**When:** **Saturday, September 25, 2010, 10 a.m. - 2 p.m.**
