Supervisor Mary Piepho  
Contra Costa County, District Three  
309 Diablo Road  
Danville, CA 94526

Dear Supervisor Piepho,

Thank you for taking the time to be interviewed and provide your insight and expertise on how Families Thrive can strengthen partnerships and bring the community together to mitigate the impact of children's exposure to domestic violence.

Your comments were very valuable and will help inform our future communications and social marketing plan and assist in steering the focus and direction of Families Thrive.

We appreciate your on-going leadership and support and look forward to continuing to work with you.

Sincerely,

Devorah Levine, Manager
