**Violence against women is a tragic reality.** We must teach our sons early and often what it means to be a real man – that women deserve honor and respect, and that violence never equals strength. A safer world is in their hands. Help them grasp it.

**ÿ La violencia en contra de las mujeres es una realidad.** Debemos educar a nuestros hijos a una edad temprana y con frecuencia sobre lo que significa ser un hombre de verdad, que las mujeres merecen ser apreciadas y respetadas y que la violencia nunca es lo mismo que la fortaleza. Un mundo más seguro está en tus manos.
