### Students receive free school supplies

Hundreds of students will be surprised when they receive free kits of school supplies. Contra Costa County Supervisor Federal Glover will help distribute hundreds of free bags of school supplies to the students of Shore Acres Elementary School, 351 Marina Road in Bay Point.

“All the schools in Bay Point will receive these supplies,” said Supervisor Glover. “This is a wonderful gift to this community.”

Shore Acres Elementary has 91 percent of its student body on free or reduced lunch program.

The distribution of paper, pencils, rulers and more is organized by K to College, a nonprofit agency that seeks to provide basic school supplies to 26,300 students in low-income schools in the East Bay. The supplies were paid for with \$350,000 in federal stimulus money, as well as grants and private donations, according to K to College director Benito Delgado-Olson.
