Review committee for Keller fund has openings

PITTSBURG (May 2) - District 5 Supervisor Federal D. Glover, announces an opening for reviewers on the reorganized advisory body: Keller Canyon Mitigation Fund Grant Review Committee.

The current opening is for two seats, where one seat must be filled by a current member of the Bay Point Chamber of Commerce, and the other by a faculty member or administrator in the Mt. Diablo Unified School District (MDUSD) working in schools that serve residents of Bay Point.

The third seat representing the community will be coming from the Bay Point Municipal Advisory Council.

“The new members will help us decide which organizations receive funding from the Keller Canyon Landfill Mitigation Fund,” said Glover.

The current composition of the Keller fund review committee was approved by the Board of Supervisors in 2001. After an auditor’s report in 2010, the board’s finance subcommittee asked county staff to review the operation of the Keller fund. One of the recommendations from that the staff was to include members from the Bay Point community.

Seats are appointed by the Board of Supervisors based on the recommendations of the District V Supervisor.

Interested individuals should contact Supervisor Glover's office at (925) 427-8138 to obtain an application form or additional information. Completed applications must be received in Supervisor Glover’s office by close of business **Friday, May 20, 2011.**

The Keller Canyon Mitigation Fund Grant Review Committee appointees serve in an advisory capacity on a committee comprised of the District V Supervisor, the Chief of Staff, a member of the Bay Point Municipal Advisory Council and the two appointed seats. The Committee evaluates applications and conducts interviews for funding from the Keller Canyon Mitigation Grant Fund and makes subsequent recommendation regarding allocation to the Board of Supervisors.

The Committee meets during the grant application process and continues meeting until recommendations for funding are completed. Specific meeting times are to be determined by the committee members. Meetings will take place in Supervisor Federal D. Glover’s Office located at 315 E. Leland Road, Pittsburg. The current seats have a term ending two years from the date of appointment.
