Glover announces opening on Bay Point MAC

PITTSBURG (May 23, 2011) -- Supervisor Federal Glover announced today that he is accepting applications to fill a vacant seat on the Bay Point Municipal Advisory Council.

The opening on the 7-member MAC occurred because long-time member Gloria Magleby stepped down from her seat for health reasons.

“We’ll miss Gloria’s valuable insight on Bay Point matters,” said Glover. “She was always a voice of reason and moderation.”

The appointee would serve the remainder of Magleby’s term, which ends in 2012 but could be reappointed for another four-year term.

If interested, individuals should call the supervisor’s office to express their desire to serve the community. After interviews with all applicants, the supervisor will name the new member of the MAC.

“No one could replace Gloria,” said Glover, who represents Bay Point on the Board of Supervisors. “She’s an institution unto herself.”

“I talked with Gloria and she agreed this is in the best interests of Bay Point,” said Glover.

Here are the requirements to be a MAC member:

- Reside in Bay Point
- 18 years of age or older
- U.S. citizen
- Knowledge of local issues
- Desire to serve the community of Bay Point
- Available to attend evening meetings of the MAC

The MAC meets once a month (the first Tuesday of every month) with meetings starting at 7 p.m. There is no stipend. The appointee will serve the remainder of Magleby's term, which ends Dec. 31, 2012 and coincides with the supervisor's term.

Interested individuals should make an appointment to be interviewed by the supervisor. Call 925-427-8138.
