If you want to begin coordination of a meter panel upgrade or relocation as part of this conversion, please check the appropriate box or boxes below and call PG&E's Project Manager, xxxxxxxxxx, at xxxxxxxxxx.

**Panel Upgrade** – If you want to increase the current capacity to the home by installing a new electric panel. (Typically done if the owner wants to add capacity for additions such as air conditioning or whirlpool spas).

**Panel Relocation** – Moving your meter to another location on your home.

**Property owners are responsible for costs associated with the upgrade or relocation.**
