    - Some employees. Eligible employees are: Employees regularly scheduled to work 20 or more hours per week, in accordance with the Management Resolution of Memorandum of Understanding.
  - With respect to dependents:
    - We do offer coverage. Employee's Eligible dependents are: Spouse, domestic partner, and children up to age 26
    - We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **Coveredca.com** or **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.
