LABORATORY TECHNICIAN II (VJVA)
SUPPLEMENTAL QUESTIONNAIRE**

NAME: _____
SSN: _____

(LAST 4 DIGITS)

A completed supplemental questionnaire is required for this recruitment.

The purpose of this supplemental questionnaire is to provide applicants the opportunity to elaborate on their qualifications and to assist the Applications Screening and Evaluation Committee in assessing each applicant's relevant experience and training. Your supplemental questionnaire responses will be evaluated to determine your score and rank on the employment list. Candidates will receive a rating of 70% for meeting the minimum qualifications and additional points will be awarded to related education, training, and/or experience beyond the minimum qualifications.

Please answer the questions below. **DO NOT** answer any of the questions by indicating, "see attached resume". Be concise, limiting your response to the information that is relevant to each question. Your responses should be typed or neatly printed. Although you may submit a resume or additional information, such items may not be substituted for the information requested in this questionnaire.

NOTE: All applicants must submit a completed supplemental questionnaire and copies of certifications at the time of application. All documents can either be faxed to (925) 957-5260, scanned and attached to your application on line, or sent to Health Services Personnel Department, 1320 Arnold Drive, Suite 261, Martinez, CA 94553.
