## HEALTH CARE OPTIONS WORKGROUP

### Meeting of January 27, 2014

At its January 27, 2014, meeting of the Health Care Options Workgroup, its participants requested the following actions be undertaken by the County in preparation for the group's next meeting.

- Prepare a presentation with supplemental information on High Deductible Health Plans and Health Savings Accounts.
- Explore the possibility of providing data on the number of employees working part-time, 20- to 30-hour weeks.
- Provide an expanded comparison of health care benefits available to employees in surrounding Counties.
- Present information and prepare to host a discussion on Wellness.
