2. Public Comment

Robin Johnson, resident of Concord Cascade Mobile Home Park, stated that they are experiencing a problem with tractor-trailers parked on Marsh Drive near the entrance to the park. The trucks start their engines at 5 am which is very loud, yesterday there were 9 trucks on the street; they drop off and leave their trailers parked there and take the trucks somewhere else; and they dump their trash in the creek.

Officer Brewer stated that if the trucks are parked on Marsh Drive there is nothing we can do unless they don't move for 72 hours. However, if there is a sign about zoning we can enforce it.

Chairman Fontana stated that the MAC will include this item on the September agenda. The MAC will recommend to the Board of Supervisor that signage be added to Marsh Road to prevent trucks from parking and from dumping trash. He also recommended that Robin contact Public Works.

Deputy Andaya said that if Robin, or others, sees truck drivers working on their trucks to report it to the Sheriff's non-emergency number.
