

FOR IMMEDIATE RELEASE

Contra Costa County Public Works Department To Complete Byron Highway/Camino Diablo Intersection Improvement Project

February 15, 2018, Martinez, CA - Contra Costa County Public Works Department will activate the new traffic signal at Byron Highway and Camino Diablo Intersection starting Thursday, February 22, 2018. All lanes across Camino Diablo will be open to traffic. Message boards in the area will alert drivers of the signal activation.

The completed project widened roadway pavement to provide shoulders and left turn lanes on Byron Highway and eastbound Camino Diablo. The project also installed a traffic signal, sidewalk and ADA compliant curb ramps along the north side of Camino Diablo to Main Street and upgraded the railroad crossing on Camino Diablo. This work is part of the Byron Highway and Camino Diablo Intersection Improvements project. Additional project information is available at: <http://www.cccounty.us/pwdmap>.
