MEDIA ALERT!

***Contra Costa County Public Works to Close Traffic
on Alhambra Valley Road Due to a Fire***

August 8, 2018, Martinez, CA – At the request of the California Highway Patrol, Contra Costa County Public Works is in the process of closing traffic on Alhambra Valley Road between Bear Creek Road and Castro Ranch Road due to a fire. We do not have an estimated time to reopen this section of road at this time. Please take alternative routes to avoid this area.

About Contra Costa County Public Works Department:

Contra Costa County Public Works Department (CCCPWD) maintains over 660 miles of roads, 150 miles of streams, channels and other drainage and over 200 County buildings throughout Contra Costa County. CCCPWD provides services such as Parks and Recreation, Sand Bag Distribution and Flood Control throughout unincorporated areas of Contra Costa County. To learn more about CCCPWD, please visit us [here](#).
