

FOR IMMEDIATE RELEASE

Contra Costa County Public Works to Close Access to Sidewalk and Street Parking on Escobar Street Due to the New Parking Lot Construction

September 27, 2018, Martinez, CA – Contra Costa County Public Works will replace the sidewalk adjacent to the new County Administration parking lot on Escobar Street in Martinez from **Monday, October 1st** through **Friday, October 12th**, barring unforeseen circumstances.

Parking and pedestrian access along the south side of Escobar Street will not be available while Aztec Consultants demolish and replace the existing sidewalk and gutter. To receive alerts for the new County Administration building, please click [here](#).
