

Vendor Registration

Contra Costa County has developed the Purchasing Portal website to allow vendors to easily submit and manage their company's information. Purchasing Portal is the tool the County uses to select vendors, issue Purchase Orders, and manage business opportunity programs. Taking the time to register is the first step to doing business with the County.

The following pages will guide you step-by-step through the registration process. Please follow these steps carefully. If you find you need assistance completing this process, or have any questions about doing business with Contra Costa County, please contact us by phone or email at (925) 313-2120 or purchasing@pw.cccounty.us. We appreciate your interest in doing business with the County. Clicking the image below will take you to the Purchasing Portal site.

If your tax ID is new to the system, a Register screen will appear. Along the top of this screen you will see a number of tabs beginning with the Company Information section.
